## MESSAGE FROM THE DIRECTOR

As a part of the scholastic fraternity, I believe that Educators are the lamps of wisdom illuminating raw minds to venture into the path of success. We at Scholars' Home work with the vision of creating future generations who may contribute qualitatively towards nation-building. We firmly believe in moulding children into skilled, compassionate and responsible world citizens imbued with Indian values and culture.

Success even in small things is a great tool for developing self-esteem. With this belief, we encourage children to achieve a task without much assistance so that they experience the joy of self-accomplishment from an early stage. Since inception, our underlying goal is to make Scholars' Home a happy school where teaching is a pleasure, learning is fun and achievement is a passion. We create a positive space where students have freedom of expression and confidence to question freely.

We believe that education should not be confined within the four walls of the classrooms. Our strength lies in our teachers who are passionate and committed to their work and well trained to reach out to the most average student with care and patience. They understand that each child is physically, emotionally, socially and intellectually unique. Our teachers work relentlessly to assess the areas of interest of every child and enhance their skills to make learning enjoyable and rewarding.

The school administration makes utmost effort to provide the best infrastructure and facilities to keep pace with changing trends in education. While adopting the latest technologies, gadgets and teaching methods, we also focus on the training of teachers to hone their skills and strategise their teaching methodology as per the modern techniques of education.

The achievements of our students so far and the various awards and accolades exemplify the success of our educational model and the faith that our parents have in our institution. We share the same feeling of contentment after seeing the smiles on the faces of our students.

With open hearts we warmly invite you to explore Scholars' Home as we re-direct ourselves to our commitment to impart the best education.

**- Sarita Jaiswal**  
*Director*

## MESSAGE FROM THE PRINCIPAL

Scholars' Home is a respected name in education owing to its academically excellent reputation.

Excellence in education and fostering the love for learning has always remained the hallmark of Scholars' Home. The real learning takes place inside the four walls of our school, where relationships are built, perspectives gained, insights garnered, positive experiences accumulated, confidence developed and skills learnt and nurtured on a daily basis.

The school realises that while it is important to passionately pursue the vision with which it was founded, it is also essential to keep pace with the modern times. Therefore, instead of promoting rote-learning through bookish knowledge, it is moving towards an education based on developing children's skills, like critical thinking, collaboration, creativity, communication and traits of character so that children have the necessary competencies to keep up with the changing times.

Providing the best in its class infrastructure to aid the students to excel, the school today boasts of spacious and airy classrooms, well-equipped and modern science laboratories, well-stocked library, smart classrooms with audio-visual aids, state-of-the-art computer laboratories, separate music and dance room, lush-green, clean and hygienic atmosphere with a huge playground.

Besides excelling in academics, the school's students are also making their mark in extra-curricular activities like music, dance, Judo, Gymnastics, Skating, Aerobics etc.

The school is counted among the best schools of the state, delivering excellent board results. The school's alumni who have gained admissions to prestigious universities in the USA, the UK, Canada, Australia, Italy and India, testify to the success of educational curriculum followed by the school. Our sessions are power-packed with academic and extra-curricular achievements scaling new vistas and horizons spurring on to ever higher efforts in the coming academic sessions.

The overall emphasis at Scholars' Home is on making every child excel, so if you are looking for an all-round education for your dear child, come and visit us, for every child has a unique success story!

**- Anupam Singh**  
*Principal*

## OUR VISION

'Believe you can and you are halfway there' - our vision is to foster raw minds to mature, vision empowered innovators and discoverers anchored by strong moral and ethical values. Hence we are focused at blending our culture with scientific learning to ensure global perspective and to create individuals with strong belief in themselves.

## OUR MISSION

'Commitment to Excellence' - To spawn a new generation of learners who are guided by dreams and ambitions and are committed to excellence. We believe that every child is blessed with a unique set of attributes and talents, which needs to be nurtured and mentored to bring out the best in them. Our mission of education is to provide a learning environment which inspires children to explore manifold possibilities in their quest for knowledge.

## INCEPTION

The school started its first academic session in April 1999 with a group of 96 students and since then it has always been on the road to success, conquering greater heights every year. The school is run by an educational society whose members are highly reputed professionals and educationists who are constantly involved in maintaining high standards of education. The managing committee is continuously involved in upgrading the infrastructure as per the modern and latest trends of architecture.

The school boasts of spacious and airy classrooms, well-equipped and modern science laboratories, well-stocked library, smart classrooms with audio-visual aids, computer laboratories with multi-media facility, separate music and dance rooms, lush-green, clean and hygienic atmosphere with huge playground. The school was affiliated in its first session i.e. 1999-2000 to the Council for the Indian Certificate of Secondary Education. The affiliation to the Council for the I.S.C. Examinations is permanent.

## ACADEMIC ACHIEVEMENTS

---

The school has made significant strides in the field of education with hard work on the part of students, able guidance by highly qualified and experienced teachers, co-operation of the parents and blessings of God. The commendable results of all our batches of ICSE & ISC with a majority of students securing above 75% and many securing above 90% bears a testimony to the excellent academic guidance given by the painstaking faculty members.

### ACHIEVEMENTS

THE 10 COMMANDMENTS ARE THE GUIDING LIGHT

TO ACHIEVE OUR EDUCATIONAL GOALS

## What makes **SCHOLARS' HOME** truly distinctive?

---

Scholars' Home maintains pace with the fast-changing trends and scope of education. The traditional classroom learning is consistently enhanced at every stage to expose the students to the technological shifts and competitions. The idea is to motivate and inspire the young minds for a fun oriented learning experience. We provide bespoke teaching and learning opportunities in a diverse environment to help students thrive well in a multi-voiced school culture. We deliver a broad and balanced curriculum supported by extra-curricular activities, class presentations, debates, dramatics, sports, music, community service and much more to help in complete holistic development of the student. By keeping the student teacher ratio 25:1, focus is on one-to-one interaction and personalised attention to students. Pupil wellbeing is supported by creating a respectful environment to help the students overcome any kind of emotional stress. We constantly upgrade the infrastructural facilities and essential life skills resources from time to time to meet the academic challenges.

## ACADEMIC PROGRAMME

The goal of academic education here is to groom children who are confident, responsible, sensitive and environment friendly and also to inculcate the spirit of citizenship amongst the new generation.

**LANGUAGE** - English is the medium of instruction. The school lays equivalent stress on the teaching of Hindi and Sanskrit.

**FOREIGN LANGUAGE** - Students are taught German language to make them confident individuals ready to face the world with enhanced linguistic skills.

### Joyous Pre-Primary : Playgroup, LKG and UKG

Scholars' Home, as the name suggests serves as a 'Home away from home' for the little ones who are going through their formative years of life. The play-way method of 'Learning by Doing' is adopted at the pre-primary level. The children are given an ideal learning atmosphere where they are allowed to learn at their own pace. A great care is taken to set up an environment for the tender minds where learning comes to them naturally. Regular activities and workshops are organised for them where they are given free hand to create and experiment with new ideas under the vigilant eye and supervision of their teachers. Excursions, picnics and field trips help enhance students' understanding of their surroundings.

The emphasis is on developing in students, self- confidence and the ability to effectively communicate in English by encouraging children to create their own ideas and express themselves freely. Teachers make good use of teaching aids like Flash Cards, Picture Charts, Blocks, Puzzles, Finger and Hand Puppets, Worksheets, Beads etc. to make learning process easier, playful and interesting. Children are encouraged to explore, discover and learn through songs, recitation, phonics program, creative projects, story-telling, role-playing, dance, games, art and craft. We celebrate the major days and festivals to sensitise the children to multiple traditions and cultures. The curriculum prepares children for a smooth transition to a more formal Primary curriculum.

## Enabling Primary Years : Classes I to V

Emphasis is laid on '**Learning through Understanding**' of the facts. Cramming is strongly discouraged: Classroom teaching is supplemented with various science and literary activities and competition which gives the students the opportunity to reveal, express and learn about life. The burden of books is kept to the minimum and the learning process of the students is made easier through experiential learning classroom demonstrations of practical aspects, experiments, group discussions, excursions etc. The Primary School Program encourages enquiry and exploration, and develops children's competence in various skills - reading, writing, listening, speaking, problem-solving, observation, measurement and use of information and communications technology.

### Subjects Offered

Classes I to V - English, Hindi, Arithmetic, Computer Studies and Enrichment Classes

In addition to the above, the classes also have the following subjects:

Classes I & II – Environmental Science

Classes III & IV – Science, Social Studies, General Knowledge & Moral Science

Class V – Science, Social Studies, General Knowledge, Moral Science & Sanskrit

## Encouraging Junior Years – Classes VI to VIII

Our junior school curriculum focuses on helping students ‘Learn how to Learn’, building background knowledge and developing conceptual understanding of the more advanced concepts with the goal of preparing students for secondary level courses. The school aims at developing skills related to writing, reading, reflecting, critical thinking, public speaking, fostering initiative among students and a desire to acquire knowledge. The wide range of curricular and co-curricular opportunities offered helps instill in children confidence and discipline. The focus on improving communication skills helps them appreciate the value of education, as it reflects in their ability to express themselves, in addition to developing pragmatic skills. The foundations of solid learning laid here set the stage for academic success in the senior years.

### Subjects Offered

Class VI - English, Hindi, Mathematics, Integrated Science, History & Civics, Geography, Computer Studies, General Knowledge, Moral Science & Sanskrit

Classes VII & VIII - English, Hindi, Mathematics, Physics, Chemistry, Biology, History & Civics, Geography, Computer Studies, General Knowledge, Sanskrit & Moral Science

## Stimulating Secondary and Senior Secondary Years – Classes IX to XII

The Indian Certificate of Secondary Education (ICSE-10 year) is a two-year course after eight years of schooling and comprises of classes IX and X. Also, the Indian School Certificate Course (ISC-12 year) is a two-year course after ten years of schooling and comprises of classes XI and XII. It has a wide and balanced curriculum in the local and global contexts as per the guidelines of the Council for the Indian School Certificate Examinations (CISCE), New Delhi. Students appear for the ICSE and ISC Examinations conducted by the CISCE at the end of class X & XII respectively.

To prepare the students for the competitive examinations in future, the school encourages them to participate in the National Talent Search Examination (NTSE) and KVPY exam and provides guidance & necessary information to the students to be able to pursue a career of their choice after Class XII. We encourage the students to participate in MUNs, debates, quizzes and in National and International level Olympiads right from the primary.

## Subjects Offered

Classes IX & X:

Compulsory Subjects – English, Hindi, Geography, History & Civics

Optional Subject - Computer Applications/Physical Education

Science Stream	Commerce Stream
Physics, Chemistry, Biology Mathematics/Economics	Commercial Studies, Economics/Mathematics

Classes XI & XII:

Compulsory Subjects – English, Physical Education

Optional Subjects - Computer Science/Hindi/Environmental Science

Science Stream	Humanities Stream	Commerce Stream
Physics, Chemistry, Biology Mathematics/Economics	Political Science, History Economics/Mathematics	Accounts, Commerce, Economics/Mathematics

## EXAMINATION & PROMOTION

---

We follow the method of continuous and comprehensive evaluation wherein the students' progress is assessed through class performance, informal and formal assessments.

The Examination schedule for the session is as given below:

**Playgroup to Upper K.G.** - Continuous and comprehensive evaluation

**Classes I to IX** - Term 1 (Two rounds of Assessment Tests), Half-yearly Examination, Term 2 (Two rounds of Assessment Tests), Final Examination

**Class XI** - Term 1 (One round of Assessment Tests), Half-yearly Examination, Term 2 (Two rounds of Assessment Tests), Final Examination

**Classes X & XII** - Two Comparative Examinations and two Pre-Boards

Promotion is granted on the basis of the student's overall performance throughout the academic year and securing a minimum of 40% marks in each subject in the Cumulative Assessment Tests

A student absent in any examination for any reason will not be re-examined. Preponement or postponement of written examination will not be entertained for any individual student. All cases of doubt regarding promotion are left entirely to the discretion of the Principal. Parents must not come for reconsideration once the decision has been made. A student who fails twice in the same class will have to be withdrawn from the school.

# SCHOOL HIGHLIGHTS

## Restricted Strength

Class strength of not more than 25 students helps in more personalised attention, increased participation, and higher quality interaction between the teacher and students with minimum disruptions. Equal emphasis is given to individual, small group and whole-group activities, to improve children's ability to work across all levels.

## Smart Classes with Interactive whiteboards, Projectors and LED panels

Our technology-enhanced smart classrooms with interactive whiteboards make learning easier and interesting encouraging deep critical thinking with pictorial representations of the text with the help of maps, graphs, flowcharts and animated videos to further optimise children's learning experience as learning becomes fun through visualisation. It helps in delivering even the complex concepts in a manner that it enables the students to grasp and understand effortlessly.

## Committed Staff

School boasts of talented, experienced and dedicated teachers who are patient listeners and good communicators. They are creative, deeply engaged, curious to learn and keen to adapt to the changing trends in education. Our teachers are trained to promote self-exploratory and discovery-based teaching methodology encouraging learning by doing.

## Individual Attention

Every child is encouraged to take pride in his individuality. We feel responsible and give adequate attention and regular encouragement to the students by allowing them freedom to learn creatively at their own pace. Our team of devoted and watchful coordinators monitor the performance of the teachers and students with eagle's eye so that no compromise is done with the quality of teaching imparted to the students.

## Holistic Development

By giving children opportunities to develop strong values, we make them confident and future-ready for life's daily challenges. Right from the beginning, students are exposed to a variety of out-of-classroom activities and sports for their overall personality development.

## Partnering with Parents

We believe in building a strong bridge between the parents and teachers to encourage parents' involvement for best learning outcomes. Sharing daily experiences and observations provide a wider perspective in advising, planning and execution for enriching learning possibilities.

Parents visit the campus for periodic parent-teacher meetings to discuss the education and welfare of their child. Events are also organised in the school in which parents are invited to participate in various activities with their child.

## Quality Assurance and Child Development

Our Quality Assurance and Child Development Team comprises of caring professionals, ensure the well-being of students academically and personally by identifying the areas of concern and addressing them tactfully. They employ a proactive approach to coordinate with teachers and parents to provide appropriate support to the students. We also provide remedial classes to the students who are not performing and need special guidance so that their concepts are clear and they are ready for the next class.

## IT Training & Support

The IT infrastructure at Scholars' Home is maintained by a dedicated team of specialists, engineers and technicians of the Computer Department who facilitate the smooth and uninterrupted functioning of our computer labs, Interactive LED Walls, Projectors, servers, networking and Internet functionality. Computer classes are essential part of curriculum to impart practical knowledge of IT to the students so that they can be at pace with technology from a young age.

## Career Counselling

We provide one-to-one session for personal interaction between the student, Coordinators and the Child Development Team on regular basis and as per the individual needs of the students to help them decide the best career options based on their abilities, interests, personalities, values and circumstances. Students are provided with detailed information about scope of different subject combinations, examination patterns, college options and future job prospects.

## Competitive Approach

With every passing year, the school is adding a new chapter of excellence which reflects in the laudable success of our students in the Board Examinations, various competitive examinations, Inter-school competitions, sports and co-curricular achievements. The school boasts of students who have secured their seats in the prestigious Indian Institute of Technology, NITs, National Defence Academy, NIFTs, National Institute of Designing, Medical and Law Colleges and other reputed engineering colleges of the country and Ivy League Colleges abroad.

Lush-green campus with sprawling grounds and spacious airy classrooms

### CONSTANTLY UPGRADING INFRASTRUCTURE

The school has an invested administrative and a leading team, passionate to cultivate a culture of growth and learning in the most conducive environment. We are constantly upgrading infrastructure to provide the best possible learning experience to our students. Students can enjoy facilities for sports, music, dance, science, computers, reading, and more, to learn in an ideal environment which contributes in enhancing their overall personality development.

## Science Laboratories & Library

The school maintains well-equipped Computer Science, Physics, Chemistry and Biology laboratories with latest technology and modern equipments. The school library comprises of a wide range of books on various subjects, dictionaries, Encyclopedias, magazines, periodicals, classic novels, science fictions and daily subscription of newspapers. In the pre-primary section picture books are provided to the students. Students are required to return all the library books and science apparatus issued to them before the commencement of the final examination and obtain the clearance slips from the office to appear in the examination.

## House System

Scholars' Home is a coordination of four Houses:

JOY

PEACE

FAITH

HOPE

The activities of each House are monitored by the House Captains under the vigilant eye of the House Incharges. The House Captains are elected after proper scrutiny of their academic and activity records. The Houses are awarded at the end of each session on the basis of their performance in academics and scores in the various inter-house sports events, games, co-curricular activities, competitions and various duties assigned to them. The House having the highest score emerges as the 'Cock House'.

## Games & Physical Education

With academic excellence, our attempt is also towards all round physical, social and spiritual development of the students. It helps in inculcating in them a spirit of cooperation, tolerance, sportsmanship and prepares them to accept all challenges in life in a positive stride.

The school has qualified instructors for Yoga, Judo/Martial Arts, Gymnastics, Skating and Aerobics.

All sports and games activities are conducted under the supervision of a proficient Physical Training Instructor.

## Uniform

The students are required to enter the school premises strictly in accordance to the prescribed school uniform. The students wearing dirty, un-ironed, torn or badly worn out school uniform may not be allowed to attend the classes or may be sent back home to maintain proper decorum and discipline.

## Code of Conduct

- It is imperative for all the students to attend the Morning assembly.
- At the first warning bell before assembly, the students and teachers are expected to proceed briskly for the assembly.
- Students should keep to their left while using the corridors or staircases.
- The students must maintain complete silence and move in an orderly manner while going for P.T., Library etc. Likewise, silence must be observed during the change of periods.
- All the non-sikh boys must go for a proper haircut on a regular basis. Except for the sikh boys, keeping long hair is not allowed.
- No jewellery should be worn by the girls in the school. They must not apply nail polish, kajal etc. and should wear skirts of a specified length i.e. one inch above the knees.
- Any student found using unfair means during test or examinations will be marked zero in the subject. Repetition of the same offence may result in dismissal from the school.
- English is the medium of instruction and students must speak only in English in the school premises to acquire a good command over the language.
- Damage to school property will have to be compensated by the concerned student.
- Students must take care of the school property and must not scratch or spoil the desk and chairs, write on the walls or bring damage to any other school property.

## CO-CURRICULAR & EXTRA-CURRICULAR ACTIVITIES

The wide range of co-curricular and extra-curricular opportunities help instil in children confidence, discipline and to develop communication skills which reflects in their ability to express themselves.

The students are encouraged to participate in the following range of activities:

- Extempore and Speeches
- Debate and Elocution
- Drawing and Painting
- Crafts of various kind
- Music and Dance
- Alpana and Rangoli
- Sewing and Embroidery
- Dramatics
- Quiz
- Gardening
- Yoga and Aerobics
- Basketball
- Martial Arts
- Cricket
- Football
- Volley Ball
- Gymnastics
- Skating
- Athletics
- Table Tennis

## Alumni Talk

For my success, I would like to acknowledge my teachers who helped me succeed in my Board examination with flying colours. The teachers here had knack to prepare us thoroughly for the important day of examination. Their consistent efforts were very helpful for us to cruise our way through the exam very easily!

- **Mayank Rajani, IIT-BHU, Google, Software Engineer**

I am in National Defence Academy and it is the only tri-service academy in India among the few in world which train all army navy airforce together. The path to this was not easy it was only possible because of the guidance of Principal ma'am and my loving teachers at Scholars' Home who always motivated.

- **Suraj Prakash Gupta, National Defence Academy**

I am a proud alumnus of Scholars' Home School. Not only this school cooperates with the students for optimum output in education but it also goes beyond traditional learning, by giving emphasis on discipline and values. I spent one of my important phases of life here, Standard 11th and 12th and I will always fondly remember them.

- **Vivek Ranjan Maitrey, IAS**

The best thing about Scholars' Home is that there are not many students in each class, therefore teachers give individual & personalised attention to every student with a focus on their overall personality development. Teachers are passionate about seeing their students succeed. Scholars' Home offers a good set of co-curricular and extra-curricular activities to its students which are of great help in the personality development of a student.

- **Akash Kumar, IFAM Business School, Paris, France**

## ADMISSIONS

- Prospectus and Registration Form can be obtained from the school office by paying the registration fee. Duly filled registration form needs to be deposited in the school office within the stipulated time. The registration fee shall be non-refundable.
- Alternately, parents may click on the admission link on the school's website to access the Registration Form and submit it online by paying the registration fees.
- The admissions are mainly for the Pre-Primary classes. Admissions to other classes will be considered subject to the availability of seats.
- The minimum age requirement of the child for admission to class Playgroup is two and a half years and above.

## Evaluation

**Playgroup:** Informal interaction with parents along with the child

**Kindergarten:** Informal interaction with parents and child, written evaluation

**Classes I to IX & XI:** Informal interaction with parents and child, written evaluation

- Date of evaluation and interaction and further details would be shared at the time of registration.
- No change of date will be entertained. However, the school authorities reserve the right to change the date and time of interaction if need be.
- The decision of the school authorities will be final as far as acceptance or refusal of admission is concerned.

## Documents Required

- **Pre-Primary:** Recent passport size photo and an attested copy of the Birth Certificate from the Nagar Mahapalika.
- **Classes I and above:** Recent passport size photo, a photocopy of the last final exam result and transfer certificate from the previous school.
- If due to some reason the transfer certificate is not submitted at the time of admission, then it should be submitted within 10 days of admission, otherwise the admission is liable to be cancelled.

# SCHOOL RANKINGS

## COLLEGE/UNIVERSITY PLACEMENTS

The first twenty-two batches of students of Scholars' Home, Lucknow have gained admissions to universities in the USA, UK, Canada, Australia, Italy, India, etc.

Some of the colleges/universities of the world that have accepted our students include:

- Purdue university, US
- City of Glasgow College, UK
- SSR Medical College, Mauritius
- Humber College, Toronto, Canada
- Université de Montréal, Quebec, Canada
- King's College London, UK
- University of Texas at Arlington, US
- University of Michigan
- Cornell University
- Northwestern University
- University of California
- Carnegie Mellon University
- New York University
- Johns Hopkins University
- Boston University
- Politecnico di Milano (Polytechnic University of Milan)
- Georgia Institute of Technology, US
- University of Sheffield, UK
- University of Melbourne, Australia
- The University of Sydney, Australia

Some of the colleges/universities in India that have accepted our students include:

- Indian Institute of Technology, Varanasi
- Indian Institute of Technology, Guwahati
- Indian Institute of Technology, Bhubaneswar
- Indian Institute of Technology, Kanpur
- Indian Institute of Technology, Bombay
- Indian Institute of Technology, Delhi
- Indian Institute of Technology, Hyderabad
- Indian Institute of Technology, Chennai
- Indian Institute of Technology, Kharagpur
- Indian Institute of Technology, Jodhpur
- National Institute of Technology, Karnataka
- Indian Institute of Science (IISc), Bangalore
- Indian Institute of Foreign Trade, New Delhi
